

**SCHEDULE:** This is a part-time hourly position with a varying schedule. A minimum regular monthly schedule will be established. Occasional and pre-scheduled extended clinical program coverage of several days (up to a week) 2 – 3 times per year is also expected. Any off-site travel will require use of personal vehicle.

**QUALIFICATIONS:**

- Licensed Registered Nurse or Licensed Practical Nurse in Virginia with hospice experience.
- Demonstrated experience in the care of chronically or terminally ill patients, working with individuals who are dying and familiarity with hospice philosophy and practice.
- Excellent organizational skills and ability to handle multiple priorities.
- Have a valid Virginia driver's license and willingness to use personal car.
- Proficient with Word and Excel computer programs.
- Ability to work a flexible schedule.
