

# NETWORKPENINSULA

Because strong nonprofits  
are key to thriving communities

**NetworkPeninsula** supports more than 300 nonprofits across the Peninsula through continuing education, Board Training, networking, expanded outreach, and information sharing. Our mission is to raise awareness of the needs on the Peninsula, encourage involvement from community members & strengthen nonprofits by increasing resources and opportunities available to you.

*Nonprofit Members have access to the following services/programs:*

**Interactive Website** — Post your Volunteer, Service, or Item Needs on our website for the entire community to review; as well as your upcoming events on our Community Calendar. New needs and upcoming events are also included in our Weekly E-Newsletters that go out to hundreds of community members, including businesses, individuals, and civic and faith-based organizations.

**Monthly Continuing Education** – Attend workshops designed specifically for nonprofit leaders, Board, and staff. Gain insight into how you can develop the tools needed to survive and thrive in today's economy. Topics include social media marketing, Board development, strategic planning, volunteer management, grant writing, fundraising, estate & endowment planning, and more!

**Board Network** – *Customized Board Trainings* offered to full Boards at a time to help move your organization forward. *Onboarding Classes* offered twice a year for new Board members. *Board Development Workshops* offered throughout the year for current Board members.

**Community Partnerships** – we work with area businesses, civic & faith-based groups to recruit volunteers; encourage participation in events; secure items needed; and coordinate collection drives & work days, fundraising events to benefit multiple nonprofits, and discounts for nonprofit employees.

**Grants Research** – Review our customized grants database which provides upcoming deadlines by program category, with direct links to foundation websites and RFPs.

**Nonprofit Network** – Participate in Executive Director Coffees, Development Director Coffees, Peer Advisory Groups, and other networking opportunities held throughout the year to share ideas with other nonprofit leaders, hear from guest speakers, and serve as a sounding board for each other.

**Youth Network** – Promote your volunteer opportunities for students in our online Youth Network and be part of our “Aware Fairs” and speaker's bureaus to make youth in our community more aware of the volunteer opportunities available to them and how they can help you!

**Impact Forums** – A series of forums held each year to bring together business, community, and nonprofit leaders to discuss challenges and emerging topics.

**Resource Library** – Stay current with the latest stats, news & trends affecting nonprofits today.

**PLUS**, discounts on classes offered at the *NEW Nonprofit Management Institute at Thomas Nelson Community College* in Williamsburg.
