## **Mental Health Resident – Part-Time**

Catholic Charities is currently hiring a Mental Health Resident. The position will be based out of CCEVA's Princess Anne office in Virginia Beach. The position is part-time and candidates must be able to work a flexible schedule. The ideal candidate will have completed a Master's degree program from a CACREP university and be registered with the Virginia Board of Counseling.

The Mental Health Resident will provide psychotherapy services to a diverse clientele, provide case management and respond to crises and legal reporting, as needed. The Resident will be required to be part of the on call rotation; attend weekly meetings with the supervisor; attend monthly staff meetings. The resident is responsible for completing all necessary paperwork including treatment plans, initial mental status, progress notes, closings and case record reviews.

A qualified candidate will have excellent communication and organizational skills and adhere to agency and departmental program policies and procedures. To apply please send resume and cover letter to: [hr@cceva.org](mailto:hr@cceva.org). EOE.
