

NETWORKPENINSULA

# 2020 ANNUAL REPORT

*Because strong nonprofits are  
key to thriving communities.*

# OUR MISSION

*Supporting the Local  
Nonprofit Sector Since 2007*

NetworkPeninsula believes strong nonprofits are key to a more vibrant, connected, and healthier community. We connect the community to the nonprofits that are serving their community and we provide nonprofits with tools to fulfill their missions effectively. We are a trusted leader providing education, advocacy and authentic collaboration opportunities.

Founded as NetworkWilliamsburg in 2007, the organization changed its name in 2014 to reflect our growth. Today, NetworkPeninsula serves the nonprofit sector on the Virginia Peninsula, including the greater Williamsburg, Newport News, Hampton, Gloucester, Mathews, and Poquoson. NetworkPeninsula is a 501c3 nonprofit organization.

# PROGRAMS

## Helping Nonprofits Fulfill Their Missions Effectively

### Nonprofit Board Training Series

For community members interested in serving on a nonprofit Board. A Board Match Up Program, Board Training Classes, and Board Development Workshops are offered throughout the year for community members interested in serving on a Board.

### E-Newsletters

Featuring the most recent news, needs, and events from our nonprofits. every Tuesday to find the most recent news, needs & events posted by our nonprofits & community partners!

### Board Match

Matching community members up with nonprofits in need of board members. A Board Match Up Program, Board Training Classes, and Board Development Workshops are offered throughout the year.
