

UNITED WAY DIRECTOR POSITION

United Way of the Virginia Peninsula is seeking an experienced and professional servant leader to work in collaboration with Corporate and Community Relationships Managers, and other staff to actively lead and engage in our marketing efforts and provide technical support as UWVP works to create ways for our community to give. This Director position would oversee creative design of digital, printed, and other materials, collateral, and presence of the organization; and oversee the technical aspects of community and donor engagement, appreciation, and communications. This position is key to the leadership team and will report directly to the Chief Operations Officer and will engage frequently with the President/CEO. A quick paced but comprehensive search will be conducted so if you have an interest please submit your resume as soon as possible to Ane' Brinkman, Executive Assistant to the President/CEO at abrinkman@uwvp.org
